Deluxe Package

2 Camera operators.

Coverage begins at brides house (music video style). Camera 2 covers guests arriving at church.

2 manned cameras for the important areas of the day.

Mass is edited down to approximately 10-15 minutes in duration.

Speeches are heavily shortened also to provide a highly entertaining account of the day approximately 40 mins - 1hr in duration.

Full mass and speeches available as additional chapters on disc.

Big Screen Edit.

Having 2 operators makes it possible to provide a music video account of your day to be displayed on a large screen on the evening of your wedding. Watching this can be an entertaining addition to the days activities.

Due to a second person being required to fullfil both this side of the requirements and full coverage of the day, this option is only available within the Deluxe package

1 BluRay (HD) & 3 DVD copies.
